

"Ave Maria"

Frank O'Hara. *Selected Poems*. 2008.

I told you not to keep your films  
near the fire.

- You and your films!  
- He was burning down the house.

- What have I done?  
- Who gave him the films?

Don't give them to him, he's mad.

From *Cinema Paradiso* by Giuseppe Tornatore, 1988.
